Femme Fare

Cinderella

At some time to every woman there comes an overwhelming love. Such a love was Leif to me.

It was inevitable, my parting with Leif. It came suddenly one day, just as the April sun began to caress the northern hills, causing the snow to melt and trickle down the mountain slopes, flooding low-lying valleys and river beds.

How did I meet Leif? How does anyone meet one's destiny? I walked into a store and there he was, blocking my path and my vision, standing 6ft. 3 inches tall, slender and firm, with a brittleness about him which challenged all who encountered him. It was this hardness, this brittleness which attracted me. Was this quality his very nature? Or was it a veneer to protect him from those who dared to come too close lest they uncover the deep recesses of an oversensitive heart? Besides, Leif was handsome to look upon and obviously a leader. He was an extrovert who liked nothing better than to hold court, surrounded by admirers, both men and women, whom he swept to undreamed of places of high adventure by his persuasive personality. And high adventure was in his blood. He was agility and grace as he careened down tortuous trails, skimming like quicksilver over hazardous inclines, his eyes aglow with excitement, his blond head hatless, whipped by northern winds. He drew me like a magnet—and I followed.

It would be an understatement to say that I fell for him. It was

Japan To Launch Rocket - Monkey

NAGOYA, Japan. — Japanese space and medical scientists will launch a rocket this autumn with a trained monkey aboard, it was announced here recently.

But no attempts will be made to recover the monkey, the announcement said.

The Environmental Medicine Research Institute of Nagoya University said that it has already started medical screening of monkeys selected for the purpose at the request of the Tokyo University Institute of Industrial Science.

It said a female monkey of less than a year old would be finally selected and trained to operate switches and pedals.

It said a large new Lamba rocket of the Tokyo University Institute of Industrial Science will be used for the experiment.

The monkey will be placed in a heat-resistant chamber supplied with oxygen. An electrode will be inserted in her heart muscles and a silver plate placed under the skin of her head to enable electrocardiograph and brain wave readings to be sent back to the ground by radio.

The rocket will be launched to a height of 1,000 kilometers (600 miles) from its new launching site on the Pacific coast of Kagoshima, on the extreme tip of Kyushu.

Prof. Fujiro Motobayashi of Nagoya University Institute, who is one of the scientists directing the experiment, said the plan to shoot a monkey into space derived from the fact that while rocketry was considerably advanced in Japan, studies of the effect on living creatures of gravity-free conditions are still far behind the Soviet Union and the United States.

MICHENER BOOK ON "WHY I LEFT HAWAII"

HONOLULU.—Author James Michener explains why he left Hawaii in the first chapter of his latest book, "Report of the County Chairman," says New York Post reporter Joseph Wershba.

Wershba, who last week wrote an article in which Michener was quoted as saying he left Hawaii because of racial prejudice, told the Honolulu Advertiser by phone that Michener explains his leaving in the book.

The book is to be published later this month, and tells mostly of his experiences while working in Bucks County, Pennsylvania, for President John F. Kennedy.

Wershba was quoted as saying:

". . . I was most interested in the first chapter. It fascinated me that it was so anti-Hawaii—from the author of the book ("Hawaii") that shows every sign of becoming the lasting literary monument of the 50th State.

"Michener made no bones of his disgust over the 'guff'" he encountered in the Islands. The "guff" fell into two categories:

1—Racial discrimination, because Michener's wife wasn't what he called a 'wasp'—a White, Anglo-Saxon Protestant. Michener was concerned about what he said were other trival not-so-trival annoyances. He mentioned a restricted housing area called Kahala and the Oahu County Club.

2—Political climate. Michener was quite disturbed about what he felt was strong antagonism he encountered from those in Hawaii who disagreed with his strong support of the Democratic Party."

JAPANESE IMMIGRATION STATISTICS

OTTAWA.—The 1960 Immigration statistics brought out by the Department of Citizenship and Immigration recently stated that 159 Japanese citizens have been admitted into Canada over the year. British Columbia took in the majority at 82, while Ontario had 48, Alberta 18, Quebec 8, Manitoba 2, and Saskatchewan 1.

The new immigrants fall in the following age-groups: 0-4 Years—1 M. (Male) 2 F. (Female); 5-9 Years—12 M. & 8 F.; 10-14 Years—6 M. & 5 F.; 15-19—2 M. & 3 F.; 20-24—4 M. & 29 F.; 25-29—1 M. & 27 F.; 30-34—6 M. & 19 F.; 35-39—3 M. & 5 F.; 40-44—3 M. 1 F.; 45-49—0 M. & F.; 50-54—1 M. & 1 F.; 55-59—0 M. & 1 F.; 60-64—1 M. & 6 F.; 65-69—1 M. & 4 F.; 70 and over—5 M. and 2 F.

Of the 141 Japanese immigrants coming directly to Canada 88 arrived by ship while 53 came by air. And of the 20 others coming via the USA, 17 arrived by ship and 3 by aircraft.

Immigration from Japan from the year 1946 until 1960—a long 14-year span—was only 1,087, while for example some 21,308 Italian immigrants and 10,792 German immigrants were allowed into Canada for just the year 1960.

If Immigration Minister Ellen Fairclough insists on keeping up this unjust quota on the Japanese, it will take some 20 years to catch up to 1 year of Italian immigration and 10 years for 1 year of German immigration.

JC Salmon Men Begin Season

STEVESTON, B.C. — The Japanese Canadian Salmon-Men all along the B.C. coast have begun another season of fishing after suffering one of the poorest seasons on record. Trollers out of Port Alberni, Ucluelet, and Spring Cove began the season on April 15th but due to rough weather good catches were not taken.

Reports of poor Spring salmon showings were received from many gillnetters drifting the Fraser River. The shrimp fishing was reported as poor also. Many fishermen will be counting heavily on the halibut which will start on May 10th.

Hopes are high for a good Sockeye season on the Fraser to make up for last years disappointing runs.

Nisei In Crash

TORONTO.—After leaving the scene of one accident, a Scarboro man, Stefan Hozjan, raced away along a westbound lane of the Gardiner Expressway and smashed head-on with another car driven by a Nisei, Toiru Oda, 24, of Ossington Avenue. Hozjan was apprehended on foot at the eastern end of the Gardiner Expressway, and later charged with failing to remain at both accidents; driving with his ability impaired; driving with his license under suspension; unlawful possession of a license; and giving false information.

MARIKO IN JAPAN

MONTREAL.—Mariko Uyeda and her fellow members of the Montreal Bach Choir are now in Japan at the start of their two-week visit. . . . Soprano Mariko carried seven pounds of music sheets, the sum total of the choir's repertoire for the past 10 years.

JAPAN TREES TO BEAUTIFY STEVESTON

STEVESTON, B.C.—Over 250 Japanese Garden trees donated by the Hirata Boseki Co. of Yokkaichi, Japan and the Nikka Overseas Co. in Vancouver have arrived here and have temporarily been planted at Eddy's Nursery. The many varieties of Japanese trees include Azaleas, hydrangeas, maples (green leaves and purple leaves) red plums, etc. Eventually they will be planted around and enhance, the Steveston Community Centre.

The originator for this idea was the President of the Steveston Community Centre, Mr. Tom Rosely, who asked the late Prof. K. Mori—creator of the Japanese garden at the Nitobe Memorial Gardens on the U.B.C. grounds—to recommend the various varieties.

Last year's 400 cherry tree donation by the Nippon Gyomo Co., Mitsui Bussan Co., and the Tokyo Rayon Co. have been growing satisfactorily in their temporary beds. Because of this year's mild winter the mortality rate was zero. These trees will soon be distributed to the Steveston Community Centre, Richmond High School, Steveston High School, Buddhist Church and the United Church for permanent planting.

NISEI GIRL NEXT MISS AMERICA?

SAN FRANCISCO, Calif. — A 20-year-old American Nisei girl Miss Diana Arimoto has entered as one of the 24 contestants in the Miss San Francisco Contest. A student of fashion modeling and modern jazz, she was quoted by a member of the San Francisco Junior Chamber of Commerce as "having talent and a fine personality."

In case that's not enough take a peek at her vital statistics: 35-24-35 slipped over a leggy 5 feet 4 inches and curving nicely at 120 pounds.

Her great-grandfather was the second Japanese to come to live in San Francisco back in 1874 and her late uncle was the first Nisei born in the United States some 85 years ago.

If she does win the Miss San Francisco contest, she will be eligible to compete in the Miss California Contest, and could have a chance at the Miss America Contest. A Nisei Miss America—who knows?

Mass Quick Study

TOKYO.—The U.S. Embassy staff here is furiously taking cram courses in the Japanese language to be ready for the arrival of Ambassador Edwin O. Reischauer.

Reischauer will be the first U.S. ambassador to Japan who is fluent in the language.

Tokyo Embassy personnel taking courses in the Japanese language have doubled and tripled since the official appointment of Reischauer became known.

Butch—Jazz Best

TORONTO.—Nisei jazz trombonist, Butch Watanabe has been selected as an all-star in a Canadian jazz poll. He is a former Montrealer now living in Toronto.

Nisei Actor Portrays Indian

Watanabe In TV Series

TORONTO.—"Damn fine baby. Lazarus Swift Eagle hundred-percent Canadian baby!" will be the first words actor Alan Watanabe (frequent contributor of The New Canadian) will be heard grunting as he portrays an Indian named Johnny Swift Eagle in the CBC summer replacement television series entitled "Jake And The Kid". This series, adapted from the famous radio series of the same name written by the great Canadian humorist, W. O. Mitchell, will star Murray Westgate—known to N.H.L. hockey fans across Canada as the man who sells Esso gas every Saturday night—as Jake, and Aex Hagen as the Kid.

One of the episodes of the series in which Watanabe has a "fairly-big" part is entitled, "Don't Scratch That Baby". The story is about, to quote Watanabe, "discrimination to Indians, and I enter one of my babies into a baby contest." TV viewers can take it from there.

Watanabe's "children" are played by two Japanese Canadian boys: Robin Mitsubata, 9 son of Mr. and Mrs. K. D. Mitsubata of 1 Sundel Road, Toronto who plays Swift Eagle Boy; and Dean Miyazaki, 9 months, son of Mr. and Mrs. Richard Miyazaki of 25 Chancellor Drive, Scarboro, will play baby Lazarus.

For those interested in seeing "Keemun-sabee" Watanabe and his little papooses strut their stuff, (Ugh!) the series will be on the air sometime during the middle of June.

Watch For "FISHING LINES" Wed. . . .

Trout Season Opens April 29th

SIMCOE, Ont.—Bright prospects appear to be shaping up for both this spring's smelt and rainbow run.

Expert fisherman Kikuzo (Kobi) Kobayashi of Port Dover said that the spring rainbow run from Lake Erie is well underway.

The spawning migration into Young's Creek, Big Creek and other tributaries emptying into Lake Erie started about two weeks ago, he said.

Mr. Kobayashi estimated that the fish will begin their return to the lake about May 1.

Since the trout season will open April 29, local anglers should fair well on the spring rainbow run if good weather conditions continue.

Last year's smelt run began April 16.

Dr. J. K. Reynolds, Lake Erie District Forester, predicts that April 15 should see the smelt run in full swing.

Only the occasional smelt is being seen inshore along Lake Erie. Swarms of fishermen are expected to settle on Turkey Point, Long Point, Port Dover and other Lake Erie "hot spots" this week-end for the first smelt fishing of the season.

The start of the smelt run hinges on lake water temperatures. Should warm weather continue, smelt should be plentiful by next week end.

The Port Dover Fish and Game Protective Association Inc. invites all Japanese Canadian Anglers who frequently fish this area to become members. Membership can be obtained by forwarding a cheque of $3.50 to Mr. Glen Sloat or S/Sgt. Crush AM, Port Dover Fish and Game, Box 17, Port Dover.

Membership entitles anglers to fish and be wardens on their private streams, and the membership fee is for stocking and stream improvements; a financial report is mailed to each member.

CODERE WINS 4TH CENTRAL Y JUDO MEET

MONTREAL.—Jean-Guy Codere retained his brown-blue division championship as Lalonde Academy swept the three titles in Tuesday's fourth annual Central YMCA mudansha individuals judo meet.

Five of the six finalists were from Lalonde Academy, operated by Rene Lalonde sandan, current Eastern Canada champion. The large entry of 96 judoka came from eight city and district clubs.

Clubmates Codere and Jean-Claude Cavalli battled for five minutes, including two extensions, with no decisive throws. Referee Harold Tokairin sandan conferred with judges Jacques About shodan and Fred Okimura sandan and announced Codere the winner for showing more aggressiveness.

In the brown-blue semi-finals, Cavalli won a close decision over Central Y's John Wright, and Codere decisioned Xavier Ramette of Hakudokan.

Evon Corbeil 3-kyu won the green-orange title with a seoinage on Hermas Lange 4-kyu. A series of choke hold victories brought Corbeil to the final.

Don Campbell took the yellow-white division with a tomoe-nage waza-ari on Emil Mischler of the AEREA club. This latter recently-formed club is instructed by Jacques Tan shodan.

Clubs represented were Central Y, Lalonde, Seido-Kwan, Hakudokan, AEREA, International Y, Kuba-Kwai (St. Hubert) and St. Jean, Que.

Ary Anastasiadis, a nidan in karate, smashed a one-inch thick board with his fist in a demonstration.

TITLE BOUT IN TOKYO

TOKYO.—Representatives of world flyweight champion Pone Kingpetch of Thailand and Japanese challenger Mitsunori Seki signed a contract for a June 27 title fight in Tokyo.

Film Showing

A genuine treat was in store for the hundreds who gathered in Eaton's Auditorium on the night of the 13th to view the films presented through the courtesy of the Japanese Consulate. The first one on "Yokoyama Taikan" was an excellent work of filming, showing the exquisite paintings of the late master artist, well-known for his scenes of Mt. Fuji. The camera caught most effectively the flow and rhythm of the artist's brush and left the audience gasping with admiration.

The second film "Higan-bana", by way of contrast, was showy entertainment of a very light nature. To some, not versed in the ways of Japanese films and unable to enjoy the nuances of the Kyoto dialect, the whole film was slow-moving and rather drawn-out but to others who viewed the picture with a more Oriental approach, it was yet another pleasant offering of the Japanese film industry.

The Centre model displayed in the foyer brought forth many favorable comments and interested queries.

Lecture by Father Pouliot

The long awaited lecture on the "Spirit of Zen" and the "Tea ceremony" by Father Vincent M. Pouliot, professor of philosophy at Kyoto University was heard Friday at the North York Public Library by an appreciative and cosmopolitan audience. Father Pouliot's lecture was most interesting and informative and the documentary film which followed served to reinforce visually the points which the speaker stressed.

Zen, according to the speaker, is the technique of liberation followed by the Japanese in an effort to free themselves from the wheel of transmigrations; the seeking of enlightenment through certain practices; an attempt to get beyond the phenomenal world and forget about space and time and anything which might be a burden. Intimately connected with Zen in its spirit is the "art of tea" or the "tea ritual".

The four ideograms which represent this spirit are (1) "wa"—harmony (2) "kei"—respect (3) "sei"—purity and (4) "jaku"—silence. One needs to prepare oneself to participate in the tea ceremony, be void of artificial things, be purified of hands and mouth, await in humility and tranquility, and identify one's soul with those of others, the lecturer explained.

The practical demonstration of the Cha-no-yu, beautifully handled by two local ladies, Mrs. Kim Takahashi and Mrs. Kay Hayashi and commentated by Mrs. Ruth Shimotakahara, rounded out a very enjoyable and stimulating evening.

Ken Kutsukake Accepts Centre Office Position

A great need has been filled by the recent appointment of Mr. Ken Kutsukake, popular young Nisei, as office manager for the Japanese Canadian Centre project. His past experiences in many fields and his willing spirit will give a much-needed boost to the hard-pressed members of the Board and other Committees working on the project. His services, particularly as the Financial Campaign draws near, are much appreciated.

Bazaar News

The efficient Bazaar Committee had another meeting on Sunday afternoon (April 16th) to discuss in further detail some of the more recent developments. The Japanese population of Toronto seems to be throwing itself into a real all-out effort to make the forthcoming Bazaar a huge success. Various groups and organizations have not only offered donations of food but have assigned themselves to wait on tables, man booths, sell tickets, be responsible for consignment goods, and even help entertain the expected crowd.

The stores which have offered goods on consignment so far are Eglinwood Shop, Paramount Gift Shop, Japan Trade Centre, Kameka Books Trading Co., and Maru-K. Foodstuff and other items are being donated by Yee On Trading Co., Continental Family Co-op and Dundas Union Store. A generous donation of goods has also been received from Mitsubishi International Ltd.

As there will be many items of interest to Caucasian visitors, you are all asked to spread the news and invite your neighbours to attend the Japanese Canadian Centre Bazaar to be held at Maurice Cody Hall, 227 Bloor St. E., on Saturday, May 27th, between 2 and 7 P.M.

If anyone wishes to offer donations or sell tickets, kindly phone the Centre office at RU. 9-2462.

Future Programming

The Centre's Program Planning Committee has decided to augment the number of its members in order to give the Centre project a further boost in the right direction. The results of the recently conducted survey will soon be available and recommendations arising from these findings plus ideas and suggestions from various other planning sessions will be used to guide future programming.

野ざらし姫

山手樹一郎

「いや、かような遺書でも公儀へ届ければ、稲葉家の家名は断絶する。それでは縁に離れて路頭にまよう多くの家来たちが気の毒だから、あなたに浮慮を希望するのだ。熟慮されてはどうか」

傳八郎はわざと高飛車に出た。

「世迷いごとを申すな。こんな他愛のない作りものなど、公儀が取上げると思うか。その方ごとき浮浪の徒に恐喝されて、恐れ入るような大膳ではない。詰らぬ真似をして、いたずらに公儀を騒がせると、その方の身が破滅するばかりでなく、迷惑は土屋家におよぶぞ」

「あなたは少しも反省されないようだな。鶴姫さまはすでに生きて無事に土屋家に引取られているのだ。あなたの負けではないか。あなたは鶴姫さまの口を恐れるから、追手をかけて度々鶴姫さまを亡き者にしようとした。最後には生きている先侯夫人を、死去にこしらえて、公儀まで偽っている。この一事が知れてもあなたの身は立たないのだ。あなたは一藩の老臣として、わが身をかばうためには一藩が滅亡してもかまわぬと考えていられるのか」

「默れ默れ。先侯夫人の不義不倫を知られたくないと思えばこそ、御老中さまに内々おすがりしてまで、取るべき手段をとり、事を穏便にすまそうと計ったのだ。その方如き身軽な素浪人に藩をおさめる者の器量が忖度（そんたく）できてたまるか。土屋家の恥辱を明るみへ出して、世のわらいを買っていいというのならこの遺書を公儀へ持出してみるがよい。大膳引きうけて、必ずいちいち申開きをしてみせよう」

大膳は最後の大見得を切ったが、その切った相手が少し見当ちがいであった。いや、むしろ大膳ははじめから傳八郎を相手にしない方がよかったのだ。あくまでも傳八郎を不義者として無視し、土屋家の名代たる三左衛門にこれだけの大見得を切れば、三左衛門には主家の責任があるから、ともかくもその場は一應默って引き退るほかはなかった

人種統合化の問題點（其二）
——折にふれての記（四）——

村田盟恒

カナダの移民問題の重要な點は、人種統合化（インテグレイション）の問題であろう。現在これについてカナダの指導階級並びに識者が真剣に考えている問題は、人種統合化の過程に於て、移民が直面している問題が如何なるものであり、また如何にしてそれらの問題を解決するかという點にかかっている。

これについては、社會學、人類學、心理學、更に政治、經濟、宗教、文化一般といった多方面に亘って、様々な研究がなされているが、それらの極く中心的な面に就て考えてみたいと思う。

一体、カナダの歴史は絶え間なき移民の歴史であったと云えよう。十六世紀にフランスから最初に海をわたってカナダにやって來た人々を皮切りに、英國、合衆国、歐州、極東、中近東南米等から毎年多數の移民が續々と渡加し、カナダの歴史形成に參與して來たのである。一九〇一年から一九一五年にかけて、二、九二〇、六二五名もの移民をカナダは受入れて居り、第二世界大戦後、一九四五年から一九六〇年にかけて渡加した移民の數約二百万をはるかに上回っている。兎に角、この様にしてはるばる海を越え、国境を越えてカナダに渡って來た移民が現にカナダという國を形成し、政治や經濟や宗教或は文化といった各方面で夫々の社會的活動をなしつつあるのである。そして將來カナダに新しくやって來る移民がこれらの社會的活動をなすことによって、いかにカナダに貢献し、カナダの政治的、經濟的、文化的發展のために寄與することが出來るか。そして、新しい移民達がカナダの国土に、如何にして同化し、人種的に統合されてゆくか、という問題が、當面の問題としてその解決を求められているのである。これに關して先ず考えられねばならない問題は

（一）移民の社會的活動への參與という問題である。

例えば、ユダヤ系の移民がシオン同盟に參與する場合、良かれ悪しかれその社會的活動は當然、カナダの政治、經濟、文化の各方面に影響を及ぼすことが考えられる。日系移民の場合でも、ゼーシーシーエーがもっと内容的に充實、強力であったとしたら、當然それは、カナダ全体の政治・經濟・文化の各方面に影響を及ぼすことになるであろう。

更にそういうエスニック・グループの活動のみならず移民によるカナダ一般の社會的活動や社會的團体への參加が、若し積極的に行われるとすれば、それがカナダ全体に及ぼす影響は計り知れないものがあるであろう。然しそれも經費がかかるのと、多くの時間を使うこと、又言葉の不自由さ等から、移民の積極的參加は實際には仲々容易ではないのである。更に政治的活動をなすためには、余程、經濟的・社會的地盤が強力でなければ困難である。これに對して、文化的或いは宗教的活動に參加することによって、カナダの文化的・精神的分野に寄與することは、或程度、可能である。併し、その活動のあり方が問題である。余り經費のかかることや時間を要する活動であれば、たとえそれが同じエスニック・グループの活動であっても、一般の移民が誰でも參加するということは困難となるし、積極的な社會的活動への參加を奬勵することにはならないであろう。

更に又、將來の問題として考えねばならないことは同じエスニック・グループによる活動が、同志的結合をその基本的必然性とする余りに他のカナダ市民を自分たちの交わりから閉め出すという結果にならないようにするということである。

理想的なエスニック・グループのあり方としては、他のカナダ市民を自由にこれに參加できる形が望ましい。例えば、如何なる日系の宗教團体や文化團体であっても、日本人でなければそれに參加できないというあり方は、人種統合化を妨げこそすれ、促進するものではあり得ない。これらの點は日系の團体に白人も自由に參加出來るように漸次改革してゆくようにすべきであると考える。これは現在は無理かも知れないが、三世四世の時代には當然そうなって行くであろうと思われる。

そのためには、今からその方向だけでも見定めて、それを設定して置く必要があろう。ここで決定的問題となる點は、今後、日本からの移民の枠が擴げられ、多數の移民がカナダに日本からやって來るという可能性があるかどうかという點である。若しそういう可能性があるとすれば、日系の、日系人による、日系人のための團体がこれからも存續し、大いに活動する必然性があるであろうし、或いは又、若し万一、ここ暫くはその可能性がないとすれば現在のままの狀態では日系人だけによる、日系人だけのための社會的團体の存續の必要性と意義とは、漸次薄れてゆく以外はないと思われる。

キューバ上陸戰は全く失敗に帰す
攻防双方ともに甚大なる損害

【マイアミ發】當地に達した情報によると、キューバ上陸軍はキューバ政府軍のため撃滅され、殘存軍は沼澤地に逃避、完全に包圍されたとのことである。キャストロ首相は二十日、反抗軍が上陸してから七十二時間後にキューバ政府軍は『全面的勝利』をとげ、反抗軍が使用した武器および米国製の大型シャーマン戦車も捕獲したと發表したが、キューバ軍にも多大の損害があったことを認めている。一方、ニューヨークの革命理事會では『殘念ながら、上陸軍は悲惨な敗退を喫した』ことを認めているが、ある筋よりの情報によると、この損害にも拘らず、さらに新鋭軍がキューバ海岸に上陸中と傳えられているが確報ではない。キューバ上陸戦をめぐり米国とソ連間に外交、宣傳及び威嚇戦が展開され、ソ連はキューバ守備の爲あらゆる援助を惜しまないといえば、米国はソ連が干渉すれば米国はそのまま見逃すわけにはいかないと應酬しているが、上陸戦の失敗はキャストロ首相の地位をさらに固めると共に、米国の威信を傷つけることになるとみる向きが有力である。

ある。国連ではメキシコがこのキューバ紛争にまき込まれるべきでないと提案し、キューバの内政不干渉を主張したのにカナダも英国も支持した。

カナダ態度

【オタワ發】ディフェンベーカー首相は、キューバ政府は国際共産主義の手先になっていると非難したが、カナダはいまのところキューバとの關係を持續していくつもりであると今週語った。カナダはキューバとの間に外交官交換、交易を保っている。カナダ首相のこの言明によって、カナダの国連代表はキューバ問題について積極的討議に入ることをチュウチョしていたものだが、これでカナダの態度がハッキリしたので、こんどはキューバに關する外交ラインについて代表團の活動が期待されるにいたっている。

毎朝窓ガラスが破れる
ひどい日本の通勤地獄

◇—『おはずかしい話ですが、いまでも、毎朝の通勤時には電車、列車の窓ガラス十數枚をこわされるのが普通です』と國鐵による乘客の押すな押すなの有様をこう語る、このほどト市地下鐵を見學にきた日本運輸機關關係者の一グループ。

◇こちら(米加)に來てみて大いに參考になったと思われる點は、フリーウエイやバイパスが立派にできていることで、技術面ではさしておどろくべきものは見當たらなく、こちらにきて知ったことだが、日本では朝の通勤時が一大ラッシュ、ところがカナダもそうらしいが、米国あたりでは通勤時が大混雑というのは面白いと思ったと語っている。

◇運輸省が作成した『日本交通者に關する統計』でみると、なるほど例のラッシュはひどく、車輛が収容し得ない人間が乗るから、窓ガラスも破れるという始末ト市の地下鐵拝見での感じといえば、日本的なにおいがしますね、といい、きれいなことが目立っていたと語っていた。

米國の面よごし
不十分な上陸作戦をおこる

【国華發】ニューヨークの廣報専門業者をやとって鳴物入りの宣傳を行ない、大々的な『キューバ上陸』を謳った革命軍の不十分且つ準備の足らない上陸戦が失敗に終わったことは、米国の面汚しであるとして、革命軍の淺はかなる行動に對し非難の聲があがっている。革命軍が上陸したとのニュースが報じられたとき、その勢力は少なくとも三千名といわれていたが、いまになってわかったところによると、わずか五百名足らず。これではキューバ政府軍二十万を向こうにまわして上陸を敢行しては結果は明らかとされ、單なる宣傳的な行動で米国の体面をよごすのは怪しからぬというわけで

廿代婦人が多い
昨年度の日本移民は百五十九

オタワ移民省統計課が今週發表した一九六〇年度における移民統計によると次の通り。

◇一九六〇年度における移民總數は十万四千百十一人で一九五九年よりやや減少日本人の入国者は百五十九名でオ州におちついた者は四十八名、アルバータ州十八名、最も多いのはビーシー州で八十二名、殘りはその他となっている。百五十九名中の男性は四十六名、女性は百十三名である。

◇百十三名の女性年令別をみると二十才—二十四才グループが二十九名、二十五才—二十九才グループが二十七名といちばん多くなっているのは、日系男子のお嫁さんになってカナダに呼び寄せられた者とみてよいようだ。七十才以上のおじいさん五名、おばあさん二名も昨年やってきている。

◇さらに日本人入国者を調べると、一九四六年から一九六〇年までの十五年間にカナダに『移民』した日本人総數は千八十七名で、その年別は次の通り。

△一九四六—五五年…二五一△一九五六年…一二〇△一九五七年…一七八△一九五八年…一八八△一九五九年…一九一△一九六〇年…一五九。

人口九千三百万

【東京時事通信】昨年十月一日現在で行なった一九六〇年国勢調査確定人口によると、日本全国の人口は九千三百四十一万八千五百一人(東京は九百六十八万三千八百二人)である。

日本製衣服のボイコット中止

【ワシントン發】米国の衣服産業労組は日本製衣服ボイコット計画をケネディ大統領の要請によって放棄したこの措置は日本貿易の將來に明かるい見通しを與えるものである。日本側としては今後、米国向けスーツの品質を向上させることにより、量の急増をさけるとともに、價格もできるだけ高くするネライで規制を實施することになっている。

佛貨公債の件

【東京發】昨秋、三十五年ぶりに調印され、三月一日を支拂日と決めていた東京都の佛貨公債償還が、フランスでの反對派の訴訟で支拂いできず、裁判の結果をまっていたが、このほど外務省から東京都に『ブラック世界銀行總裁調停案を可決した昨年九月の債券所持人總會は無効だとの判決があった』と連絡があった。

ライシャワー新大使が着任

【東京時事通信】新任のライシャワー駐日米大使は十九日夫人、愛嬢と共に着任した。空港には多くが出迎えたが、同大使は空港で要旨次のような到着のあいさつを日英兩語で行なった。『今回は日本に着任するに當たって大きな責任を感じているが、將來に多大の希望を託している。もちろんいろいろの問題が出てこようが、日本の歴史、とくに日米關係をふり返ってみると、兩国の前途は十分期待が持てると信じる。日本国民と同様に米国民も平和と繁榮に滿ちた世界を作ることを切望している。傳統を異にする國民の間では往々誤解が生ずるおそれがあるが、双方が誠意と善意をつくして努力すれば、どんな誤解も解消すると信じる。相互理解に盡力して日米兩国、ひいては全世界の幸福のために力を盡したいと切に念願する』

オタワの印度外交官
カナダ人に射殺さる

【オタワ發】オタワ駐在外国外交官が射殺された事件が今週突發した。オタワに駐在するインド高等弁務官オフイスに一等書記官として二年前着任したサンカラ・ピライ氏(三八)はデスクに坐ったまま小型に切ったライフルをさげて入ってきたシャニ・フエリジ(三八)により二弾をうけて即死した

△フエリジはそれからオーバーコートでライフルをかくし、平然と一等書記官室を抜けビルデングを市街に出たのち、近くにあるマウンテー事務所に自首した。フエリジは十年前、ユーゴーから移民した歸化カナダ人で、失業しており、インドで仕事を求めたいとピライ書記官に二度も面會したことがあるが、射殺の原因は不明である。

◆【オ州・ロンドン發】當地近くのクルモアン空港上空でカナダ空軍が今週パラシュート降下訓練中、さきにとびおりた同僚ランザラスのパラシュートがひらかずそのまま落ちていくのを認めたパレットはすばやくランザラスのパラシュートをつかみ、二人はそのまま地上に降りて助かった◆米国の映畫俳優ゲイリー・クーパー(六〇)はガンのため重態である。

左藤知事來市

オタワから元防衛廳長官、現大阪府知事の左藤義詮氏が二十一日トロントを訪れた。同知事は東本願寺の會與で、土曜夜六時にト市佛敎會に語り、日系信者と交歡することになっている。一般の參加を希望。

小林氏デビュー

近く歐州で演奏する小林健次氏は二十四日ニューヨークのタウン・ホールでヴァイオリン獨奏會を催す。このホールで演奏することは新人として認められることになるわけ。ピアニストの一柳氏が作曲したものも小林氏が奏じる由。

晩市の映画祭

【晩市發】晩市の第四回国際映畫祭は來る七月十日から二十二日まで行われる。選擇委員會は世界各国からの長映畫二十および記錄もの百を選んで十二日間にわたり公開する日本からは『人間の條件』を出す豫定。

85 For Chidori In Hamilton Festival

TORONTO.—Last week the Chidori Music Club performed in the Hamilton Kiwanis Festival and received an average of 85 marks for their singing of three Japanese folk songs. The adjudicator, John McKnight, commended the choir for its "warmth of tone" and "fine blend and balance". After the competition, the members returned to Toronto for a nigiyaka-na party.

Since its inception five months ago, the choir has made five public performances and received two first-prize shields in festivals. This is a remarkable achievement for such a young organization.

Next September the Club will begin its second year. The executive hopes to double the present membership and enlarge the repertoire. The enthusiasm of the members this year has created a solid base for an actively growing choir in the future.

Dr. Crawford At Bible Study Group

TORONTO.—Dr. Arwin Crawford, the head of Staff Physicians of Branson Hospital in Toronto will lecture on the topic: "Do's and Don't in Digestion" this coming Sunday night at 7:30 at Canadian Legion Hall. Dr. Crawford will discuss the problem of how to maintain the blood alkali by choosing the right kinds of food. Dr. Crawford has long advocated that the key to maintain one's health is to keep the body and blood free from acidity.

Questions will be answered by him after the discussions, and his talks will be translated by the Pastor Geo. S. Aso. A motion picture, "One in Twenty Thousands", a film which was produced to expand the knowledge of preventing lung cancer will be shown prior to Dr. Crawford's lecture.

According to the Rev. Aso, this meeting is the second phase of the Japanese Seventh-day Adventist's Spring Evangelistic endeavor after successfully completing the Toronto Bible Crusade for Nine straight evenings last Sunday night.

Beginning with Dr. Crawford's talk this coming Sunday night and every Sunday thereafter, the newly organized Bible Study Group will meet under the direction of Pastor Aso. Mr. Aso said the combined attendance for the Crusade was well over 600 and the "decisions for Christ" were 13. The Nisei audience is welcome to hear Dr. Crawford.

Japanese "White" In S. Africa

TORONTO. Canadians of Japanese origin should be interested to note that Toronto Daily Star correspondent Norman Phillips's book "Tragedy of Apartheid" mentions that the only non-European race accepted as "White" in South Africa is the Japanese. It seems that Hendrik Verwoerd's boys do not want to antagonize the sharp Japanese businessman that do so much business with South Africa.

Wins 48-Year Fight For Retrial

NAGOYA, Japan—Forty-eight years ago Shimatsu Yoshida, now 81, was convicted of participating in a $2.80 robbery-murder and given death, a sentence later reduced to life. Yoshida spent 22 years in prison, constantly professing his innocence.

Released on parole, he made attempt after attempt to win a retrial. All were futile.

Finally, the human rights protection committee of the Japan Lawyers Federation investigated and came up with new evidence and new witnesses.

Last week the now frail old man won his 48-year fight. The Nagoya higher court agreed to re-try him on the murder charge.

"KIMONO" (Japanese dress) book has just arrived in the office of The New Canadian. This 135 page book is written in English by the Managing Director of the huge Takashimaya Department Stores of Yokohama, Mr. Ken-ichi Kawakatsu, and includes over 70 photos and cuts.

He beautifully describes the color and pattern beauty of the Kimono and the artistic and superb techniques, both ancient and modern of the dyeing and weaving. He also explains the various unwritten laws governing the modes and designs of the kimono—according to seasons, years, special occasions etc. Also included is a piece on how to wear the kimono, that should be of special interest to Canadians.

"Kimono symbolizes Japan's beauty and has a prominent place in the sartorial world", says the author. Don't miss this one for your library. more than that. It took on all the aspects of a heady affair. Leif enticed me away from the snowbound city into the woods, up mountain trails, in snowstorms and in sunshine, onto the highest peaks in the Laurentian hills. If at times my cowardly heart faltered or if my better sense restrained me, Leif would look at me with that irresistible look of his, and my heart would become like water, and I would follow, forgetful of all else but that Leif wanted me. Leif was so unlike anyone I had ever known. He was untameable, as wild and free as the hills he loved. And womanlike, I became obsessed with the compulsion to take from Leif this sense of freedom, to chain him to the conventions which make up my life. O, I played my cards carefully. Leif was too intelligent for the womanly subterfuges of helplessness and dependency. I sought to outdo Leif in the very things in which he excelled. And only God knows how hard I tried! There were times when I hated him, my heart heavy with hopelessness and despair, my pride a broken thing, my body wracked with pain. And then I would rail at him. And then he would become gentle, gentle as a woman, holding me against his lithe hard body, until I could feel the beat of his heart against mine, and hear his voice in my ear, soothing and reassuring and encouraging. And I found myself picking up my broken body to try again. If ever a woman took a beating, that woman was myself.

I was with Leif constantly for five months. And consequently there has been much talk in the neighborhood where I live. The curious quite openly peered through their windows, craning their necks, for I have looked up suddenly to catch heads ducking quickly back into the shadows. O, I was aware of the gossip that went on, accompanied by the clucking of tongues and the shaking of heads. "What can she be thinking of at her age?" "If her poor mother were alive today, this would not have happened!" "It isn't as if she were a mere youngster!" "She's a grown woman. Well, no fool like an old fool!" They were absolutely right. Yes, it was because I was a grown woman that I abandoned convention for love.

It was doomed from the very beginning, my affair with Leif. The hot flames of passion flare quickly but subside as quickly. Emotions such as Leif and I have shared could never have been sustained for any length of time. And if I must pay the price of loneliness for five memorable months—months woven with both tenderness and pain, with love and hate, with excitement and despair, with beauty and sordidness—I have no regrets. For five wonderful months, Leif freed me from days of crawling reluctantly out of bed to the jarring insistance of an alarm clock, the hasty gulping down of coffee, the pushing through snarled traffic, the bracing against stampedes of herds of bus-riding humanity, a routine work which was made more drab because of sullen skies, and a state of mind which saw winter as a five-month snowbound prison. Leif showed me another face to winter, one of exciting weekends, of continual checking with weather bureaus, of trips up to the Laurentians, with its snow-laden mountain trails, its long vistas of rolling gentle hills, the cosy fireside chats, the warm drinks and smoke-filled bars, and the wonderful sense of being alive.

Leif enriched my life as no one has ever done before. You see, Leif, my love, is a pair of skis.
